**O. C. Meredith Killed.**

There are many Grinnell people who will regret to learn of the death of O. C. Meredith, of Newton, who received injuries in an automobile accident at Ankeny, from which he died early yesterday morning. He was driving with his wife, Miss Margaret Mershon and Miss Mollie Brown, and was caught on a difficult crossing by an interurban car. Miss Brown was seriously injured and may not recover.

Mr. Meredith was a leading and active citizen of Newton, and has always had many friends in and around Grinnell. He served as mayor of Newton, and has filled many positions of honor and trust in our sister city. Two sons have attended college in Grinnell.
