

McDonald  
Lester Edward McDonald was  
born at Malcom, Iowa, July 27, 1913  
and lived with his parents, Mr. and  
Mrs. Nelson McDonald until he was  
taken sick with influenza and died  
December 15, 1918. He leaves a  
mother, father, two brothers and  
one sister, one grandfather and two  
grandmothers besides many friends  
to mourn his death. A short life is  
ended, a form we loved leaves a  
vacancy that never can be replaced.
