Moines University. She was awarded the opportunity to go to Africa with "Medicine for Mali" upon her completion of her master's.

On June 5, 1982, Tami Mount married Gene Kinney at the Churdan United Methodist Church. They made their home in Lohrville where they raised three children. They later divorced, but made every effort to raise their children together. On May 27, 2011, Tami was united in marriage with Jared Mohr at the Little Brown Church in Nashua, and they continued to make their home in Lohrville.

Tami started her nursing career at Stewart Memorial Community Hospital in Lake City, Iowa. She later devoted 24 years to working for Calhoun County Public Health. She resigned from CCPH to better support the concrete and aggregate business that she and her husband established in 2010. She was affectionately known as the village nurse in Lohrville as she often treated injuries for folks around town and served on the Lohrville EMS as an EMT for over 25 years. She was a member of the Lohrville City Council for over 15 years and was eager to volunteer for the community. She loved going to her dad's farm and helping out, as well as traveling and spending time with those she loved.

She is survived by her husband, Jared; three children, Colter Kinney of Lohrville, Kendra Kinney Campbell of Maple River, and Carter Kerber of Lohrville; two grandchildren; a brother, Troy Mount of Glidden; her stepmother, Wendy McIlraith Mount and step-grandmother, Alice McIlraith, of the Mount family farm west of Churdan; step-brother, Michael Steffen of Des Moines; and step-sister, Connie Prizel of Palmyra, Wis.

She was preceded in death by her parents and her brother Todd Mount.
