GLENN CRISS.

The death of Glenn Criss, a student in the S. A. T. C. occurred Sunday about 2:00 o'clock.

An escort of students accompanied the body to his home in Sae City.

The young man had been sick some time and his mother was called here when his sickness seemed most serious. He improved and she returned to her home. When informed of her son's relapse she was too ill to come. His father died only eight weeks ago.
