### LORNA PALMER DIES

#### Brilliant College Graduate Passes to the Great Beyond

Mrs. David Arnold and Mrs. Percy Goff received the sad news this morning over the telephone from Vinton that Miss Lorna Palmer, one of the recent talented graduates of the College, had passed away at her home in Vinton.

Miss Palmer graduated in 1917, a really brilliant young woman and daughter of Supt. Frank Palmer of the State School for the Blind at Vinton.

Mr. Palmer is himself a graduate and is one of Iowa's best educators. He lived east of Grinnell for many years as a boy and many old-time friends remember this cultured family.

Miss Palmer had been sick but a week and was a victim of the prevailing influenza. Death occurred at 6:10 this morning.
