

ROBERT PRICE, JR.

May 22, 1954 - Nov. 19, 2020

Robert B. Price, Jr, 66, of Des Moines, formerly Brooklyn, passed away November 19. Following the Governor's proclamation for grave-side services, a grave-side service and inurnment will be held December 4th at 10 a.m. at Calvary Cemetery, Brooklyn.

Father Corey Close will officiate at the service. Memorials may be sent in Robert's names to St. Jude's Children's Home, Kloser Funeral Home, Brooklyn is assisting the family with arrangements. Masks and social distancing are required.

Robert is survived by his mother Betty; two sisters: Linda (Robert) Ludwig, Grinnell; Christy (Michael) Pifer, Grinnell; a maternal aunt, Pat Wauters of Grinnell and other relatives and friends.

He was preceded in death by his father, Robert, Sr. in 1962 and a brother, Michael in 1987.

Robert was born May 22, 1954 in Grinnell, the son of Robert, Sr. and Betty (Wauters) Price. He was graduated from BGM High School and continued his education at DMACC, majoring in Culinary Arts and Restaurant Management.

Robert had been employed at various places over the years: Bavarian Haus; the North and West End Dinners, a nursing home and schools, all in the Des Moines area. He enjoyed photography and had traveled world-wide.

His favorite place to visit was Southeast Asia, particularly Vietnam. Robert loved his mother dearly and would call to check on her four times every day.

Online condolences may be left at: www.klosetrfuneralhome.com.

**Your Health is Essential,
Do Not Delay Care**

Grinnell, - November 19, Although the COVID-19 situation remains critical in our communities and throughout Iowa, UnityPoint Health® - Grinnell Regional Medical Center (GRMC) and clinics wants to remind everyone they should not delay seeking necessary care. Safety remains the top priority for the GRMC hospital and clinics, and physicians continue to accept new patients.

"We want our patients and communities to know that their health care is essential," says Jennifer Havens, CEO at GRMC. "Even as you're taking the important precautions to slow the spread of COVID-19 - wearing a mask, social distancing and staying home when possible - health care visits should still be treated as an essential priority."

Any individual experiencing a medical emergency should not hesitate to call 911 or get to an emergency department immediately.

GRMC is encouraging patients to keep up with preventative care such as wellness visits, vaccinations and care for chronic conditions. Patients wishing to continue their care in-person can expect to see all team members and other patients wearing masks. Areas are differently arranged to accommodate safe social distancing.

Phone and video visits with an individual's care team are also available for those who prefer to stay home when possible.

"We want patients to know that we are here to care for them safely," says Havens. "Please continue to prioritize your health. We do not want people to delay getting the care they truly need."

For more information about where to go for care and providers accepting new patients, visit <https://www.unitypoint.org/grinnell/default.aspx>.
