Mrs. Fred Balley.

The many friends of Mrs. Fred Balley were deeply grieved to hear that her brave fight against tuberculosis had been ended by her death last Saturday at her home in Colorado Springs, Colo. The body reached Grinnell this morning and the funeral was held this afternoon at 2:30 o'clock from the J. P. Skinner home on East street, Rev. W. B. Wilson conducted the service. Mr. and Mrs. Balley left Grinnell about two years ago, in the hope that the change might benefit Mrs. Balley's health; a vain hope, as events have proved.
