William S. Bailey.

The body of William S. Bailey, for many years a resident of the Grinnell vicinity and a charter member of Hermon Lodge, A. F. and A. M., who died May 22 in Aurora, Ind., of Bright's disease, reached Grinnell Sunday morning. Services at the grave were conducted in accordance with the Masonic rites. Mr. Bailey was aged 91 years, three months and 11 days.

His two children, Philip Bailey, of Mitchell, S. D., and Mrs. Kate Little, of Springfield, Mo., accompanied the body to Grinnell. They had been in Indiana for the past three months caring for their father.

Mr. Bailey lived in Poweshiek county from 1867 until fifteen years ago, when he moved to Indiana. He at one time made his home on the farm northeast of town now owned and occupied by James Hannay.
