AUTO HIT HIM AS HE LAY ON SIDE OF ROAD

Victim Thrown from Own Car as It Turned End Over End.

Delmar Baustian, 45-year-old farmer residing two miles south and a mile west of the Sheridan store, received fatal injuries in an accident on Highway 63 about 7:15 o'clock Saturday evening. The car he was driving plunged into a ditch on the east side of the road as he was headed south and he was thrown onto the highway. According to witnesses, a second auto ran over him as he lay on the highway. He died at the St. Francis hospital Sunday about 8:00 a. m.

Max Arnold, on his way to the basketball tournament at Tama, accompanied by Janice Connelly, Lyle Wiley and Tom Farmer, all of Grinnell, was about 200 yards from the Baustian car when it suddenly appeared to hurtle end over end. The accident occurred about a half mile south of the Poweshiek-Tama county line. Occupants of the Arnold car believed Baustian's auto must have turned over before it hit the ditch as it ended up on its wheels at the side of the road.

Arnold says he noticed him barely in time to escape hitting him and after passing on a few yards, stopped on the highway shoulder and returned to the injured man. Members of Arnold's party reported that the driver of the second car from the south did not see the man on the road and passed over his body.
