OBITUARY.

Flossie Belle Byrd.

Flossie Belle Byrd was born July 14, 1893, in Poweshiek county, Iowa, and was called to her Heavenly home November 22, 1914. Most of her life was spent in Grinnell.

From childhood she had been afflicted with bronchial trouble. During the last few weeks of her life she suffered patiently and appreciated any kindness shown her.

She had a wide circle of friends and was most loved by those who knew her best. Altho a great sufferer herself she was always ready to help any one who needed her. She especially loved little children and always won their confidence and affection by the sweetness of her spirit. This was the index to her beautiful character.

She leaves to mourn her loss her mother, Mrs. Rilla Rivers, a sister, Eddie, a brother, Raymond, aged grandparents, Mr. and Mrs. Andrew Mitchell of Searsboro, and numerous relatives and friends.

The funeral services were held Tuesday morning, Professor Noble officiating. The remains were taken to Searsboro for interment.
