

—Another of Grinnell's First Settlers gone. Mrs. Hannah Hubbard, wife of Dea. Hubbard died in Boulder, Colorado, last Saturday, when nearly ninety-one years old. The Hubbard family came from New Hampshire to Grinnell in 1855 and left for Colorado in 1862. That family contributed its share to the good character of early Grinnell. Mrs. Hubbard will be remembered for her benevolent and christian service here. Her son, James E. and her daughter, Sarah, the wife of Mr. Robert R. Lyman still reside in Boulder. 6-24-1904
