

Mrs. Anna Morrill Dies Suddenly

H-R 2-9-56

Friends of Mrs. Anna Morrill, formerly a resident of Grinnell, have been saddened by news of her sudden death last Sunday night in Santa Monica, Calif., where she has been caring for her sister, Miss Clara J. Andersen. She passed away quietly in her sleep, aged 89 years.

Mrs. Morrill came to Grinnell from Kewanee, Ill., to be with her sister, who at that time was in charge of women's physical education at the college and was at the height of her busy and constructive career. Mrs. Morrill quickly made a place for herself in the life of Grinnell and made many warm friends who remember her with affection.

After Miss Andersen's retirement, she and Mrs. Morrill moved to Santa Monica. Since then Miss Andersen's health has declined and Mrs. Morrill has been cheerfully bearing a heavy burden.

Mrs. Morrill is survived by one son, Guy Morrill of Santa Monica. Burial will be in Kewanee, her old home town.
