**Frank Robinson.**

Frank Robinson, a Grinnell high school graduate in 1911 and star center on the football team during his high school days, died suddenly of apoplexy in Memphis, Tenn., last Tuesday. The body was brought back to Kellogg on Thursday evening and the funeral will be held from the Christian church there tomorrow afternoon at 2 o'clock. Since his graduation Mr. Robinson had been engaged with Herbert Mears in farming near Kellogg. They had done well and recently Robinson arranged his affairs so that he could take a vacation and started with Cliff Braley on a trip through the south as far as Florida and possibly to Cuba. He visited Grinnell friends for a few days before he left and seemed in the best of health and spirits. The news of his sudden death is a shock to everyone. Clifford Braley accompanied the body home.

Robinson's parents live not far from Turner and two of his sisters are students now in Grinnell high school. He was considered an industrious young man of much promise and death has cut him off just upon the threshold of an active, useful life.
