

JUST WEDNESDAY 10 15 101-2  
6-11-3-30-1903  
Mrs. H. B. Royce died at Iowa  
City yesterday morning of cancer of  
the intestines, from which she had  
been a sufferer for some time. With  
the hope of finding relief her children  
took her to Iowa City Tuesday that an  
operation might be performed. But  
surgical skill could not prevent death  
from claiming her. Her body was  
brought to Malcom last evening for  
interment.
