DIED.  
Mrs. A. E. Schwenk.

Mrs. A. E. Schwenk, wife of Rev. Mr. Schwenk and a former Grinnell resident, died in Kansas City on Friday, Jan. 26, after a long illness of tuberculosis. She was suddenly taken ill in Kansas City on her return trip from Albuquerque, N. M., and died in the union depot there before she could be removed.

Mr. and Mrs. Schwenk lived on Ninth avenue and Ann street until about two years ago. Mr. Schwenk was pastor of the Church of God at Newburg and was also connected with the church work throughout Iowa. When Mrs. Schwenk first became ill she was taken to Oakdale sanitarium, where, after several months' treatment she seemed greatly improved. The family then removed to Minnesota, where she soon became ill again and last October she was taken to Albuquerque. It was on the return trip from this place that she died. The body was taken to Iretton, Ia., where her parents reside, for burial. Mrs. Schwenk leaves two sons aged seven and five years and a little daughter aged eighteen months.
