Hans Speth was born in Holstein, Germany, May 4th, 1835, and died at the home of his son, Henry T. Speth, west of Malcom, March 3rd 1906. After reaching early manhood he was married to Miss Anna Schneckloth, to whom four children were born—three of them dying in infancy, the fourth being our respected citizen, H. T. Speth. About forty-one years ago the deceased with his family came to America and settled in Scott county where they resided for ten years, and then came to Malcom township where they have since resided and was highly respected by all his neighbors and friends. In 1893 his wife died; since that time his health has been poorly. The funeral services were held at the Lutheran church and were conducted by Rev. J. F. Reinsch, and the remains were laid to rest in the Lutheran cemetery. Malcom Leader
