

## Guernsey Man Is Stricken Suddenly

F. T. Tanner, well-known produce and commission merchant, suffered a stroke of apoplexy and died in his truck on the streets of Guernsey about 8:30 o'clock Wednesday morning.

Mr. Tanner had gone to the depot for a load of freight and was returning to his store when the stroke occurred. The truck had stopped in front of the store with the engine running. Bystanders saw something was wrong and stopped the engine. Mr. Tanner had slumped down and was dead when removed from the cab.

Mr. Tanner had been one of Guernsey's most popular and public spirited citizens and always had the welfare of the community at heart and always stood for the things that are right and for the best interests of his community. He was a member of the town council and president of the school board where his presence together with his splendid judgment will be greatly missed. He was a member of the Modern Woodmen.

Mr. Tanner had been engaged in the produce business for a number of years and had just lately branched out into the automobile and garage business. He had a very large circle of acquaintances and his friends were numbered by the people who knew him—for everyone who knew him was his friend. He will be greatly missed by the entire community.
