Many old time Grinnell friends will regret to learn of the death of Frederic Sheridan Wallace who passed away March 2, 1926, at his home in Vallejo, Calif., after an illness of only two days of influenza.

The deceased man, familiarly known in Grinnell as "Fred" Wallace, was born here March 26, 1869, and so was almost 57 years old. Mr. Wallace has lived in California for the past eight years and has been in the clothing business practically all his life. His old friends will remember him as a genial, kindhearted, accommodating boy with generous instincts and a warm friend, always helpful and cheerful.

He leaves to mourn his loss his wife, Caronna Wallace, and two brothers, Scott Wallace of San Francisco and Frank O. Wallace of this city.

The Senior of the Herald is one who knew Fred and who can testify to his universal good spirit and generous disposition and his death will be regretted by many residents of this place.
