

DEATH SUMMONS A 6-H
BROOKLYN WOMAN AS
SHE KNEELS IN PRAYER

10-13-1914

Brocklyn Chronicle. The death angel came suddenly and in a very unusual manner to Mrs. George Wheeler last Sunday.

With other members of her family she was attending services at the Church of the Brethren, southeast of Brocklyn, apparently in her usual health. With the congregation she knelt in the closing prayer, when the others arose it was noticed that she remained in her kneeling position. Her friends went to her and found her unconscious. She died in a few hours without regaining consciousness.
