died 11-23-1891

—Last Sunday occurred the death of Mr. Cassius Morgan at his home in northeast Grinnell township. He had been sick for some time, never having entirely recovered from an attack of the grippe two years ago. During the fall he went east, and returned about two weeks ago. He seemed to think to the last that he would soon recover, not being able to realize that his strength had been nearly exhausted. The funeral was held yesterday afternoon at the Baptist church, services being conducted by Rev. G. E. Farr. Mr. Morgan spent the greater part of his life in Scott county, coming to Grinnell with his family about four years ago. He was recognized by all as one of our sterling men, one in whom implicit confidence could be placed, a good neighbor and kind husband and father. He leaves a wife and six children to mourn his loss.
