world 70 years ago and left it a few days ago. In the middle of those dates he lived. He married the loved of his life and had two kids. Those two kids had their kids and one of those made him a great grandpa. Although his grandkids would tell you he was already great! He made some memories with high school buddies and his in-laws. He deeply loved those memories he made with those he cared enough to make those memories with. He loved his mom, Navada, dad, Kenneth, two brothers, Kenny, Roger and his sister, Lu Ann. And if you asked, he make sure you knew it was his older sister. He loved Amy, Lonnie, Justin, Bayli, Lizzy, Lexi, Aurora, Nathan, Rebecca, Maggie, Randy, Brett, Rod, Chad, Brooke, Paul, along with Kenny and Pam O'Deen.
