

## 2-28 S. Coulson. 1908

Saul Coulson, who died after a long illness on Friday morning, was born in Columbia county, Ohio, on March 18, 1844. When but eight years old his father's family moved to Madison township in this county in the early fifties, being among the earliest settlers there. When the war broke out he shouldered his musket and entered the army to give three years' good service for the Union cause in Co. H, Twenty-eighth Iowa infantry.

He was married to Margaret M. Snider on October 19, 1867. To them were born seven children. One child died in infancy, while the six who survive him, with his wife, are E. Edward Coulson, Kenwick, Wash.; Mrs. Lou Thorp, Kansas City, Mo.; Carl C., Delbert and Dean Coulson and Mrs. Ethel Muleahy, all of this city.

He had been a member of the Methodist church for many years and died strong in the faith. For several years he has suffered from paralysis and shaking palsy, but during all his helplessness he received the good ministrations of loving relatives. He was an honest, hard working man, a good parent and neighbor and a good citizen who has well earned the good rest promised to those who have fought a good fight.
