Dr. Gertrude F. Crane, daughter of Mr. and Mrs. Theodore Crane was born February 6, 1875, at Chariton, Iowa. The family moved to Grinnell when she was still a young girl. After she had completed her education she taught for a number of years in the Grinnell schools. She took up the study of Osteopathy at Kirksville, Mo., and after the completion of her course practiced successfully several years in Nebraska. Coming to Grinnell from Norfolk, Nebr., about five years ago she continued her practice in this city until failing health prevented.

After an illness of several months she passed away at the Community hospital Friday, May 26. Her sister, Jessie Crane Nims, preceeded her in death last October. She is survived by her brother, Fred Crane, of Detroit, Mich., who is in Grinnell to attend the service and by a cousin, Mrs. M. W. Jamieson of Warren, Pa., who was unable to be present. Mr. H. W. Nims, of Norfolk, Nebr., a brother-in-law, is also present. Dr. Crane will be greatly missed by her friends. There are many in Grinnell who remember her as an efficient teacher and speak of her work and influence in words of high praise.

She became a member of the Seventh Day Adventist church June 10, 1906, to which she remained a loyal and faithful member until her death.

Funeral services were held Monday at 1:30 from Snyders Chapel with Rev. Stemple White of Cedar Rapids in charge of the service.
