

6-4 EDWARD GOODE, 1901

On May 31, at 5:45 o'clock, at his home, 715 Spring St., after an illness of several weeks and some intense suffering, Edward Goode breathed his last. His wife and other relatives of the family were by his bedside. Edward was born in Brosias county, Ohio, in 1860. His mother died when he was but five weeks old. His father died when he was a small boy, leaving him and his brother, two years older than himself, to battle against the discouragements of a cold world. In 1881 he came to Grinnell with Mr. A. Fowler, with whom he had worked at the barber's trade. Since that time he has lived in Grinnell and worked at his trade. Ed was kind hearted and made many friends, many of whom visited him and tried to comfort him in his last sickness. He was married to Miss Anna Craig, May 2, 1887. By this union there was one child, William, who is now two years old. He was converted in March, 1901, and often thereafter expressed his confidence in God and his faith in a life eternal. He was baptized and joined the M. E. church, and though it was the eleventh hour of his life, he left the testimony of Christ's being able to save to the uttermost.

The relatives of the late Mr. Ed Goode desire to express their thanks to the many kind neighbors and friends who assisted and comforted them in their hour of trial, in the sickness and death of their beloved one.
