Dale E. Johnson Service Pending

Dale Everet Johnson, 52, of 1323 Main St., died Sunday afternoon of a heart attack while in Des Moines on family business. He had been agent for the Chicago & North Western Railroad here since 1956.

A memorial service for Mr. Johnson will be held later this week. It was his wish that his body be sent to the College of Medicine at the University of Iowa.

Born July 4, 1915, at Olds, Ia., the son of Antone and Irene Louise Lundquist Johnson, Mr. Johnson was graduated from Olds High School and soon became an agent-telegrapher with the Minneapolis & St. Louis Railroad which became a division of the C. & N.W.

He was agent at Geneva from 1941 to 1946, in Marshalltown from 1946 to 1949, and in Union from 1949 until he came to Grinnell in 1956. For a number of years he was general secretary and treasurer and in recent years also district chairman of System Division 4 of the Transportation-Communication Employees Union.

He married Helen Maxine Robinson of Des Moines on August 1, 1942, and they became parents of two daughters, Christine, 21, who is just completing her junior year at the University of Iowa, and Lynn, 19, who has just finished her sophomore year at Grinnell College.

Besides Mrs. Johnson and the two daughters, Mr. Johnson is survived by an uncle, A. J. Lundquist of Ames.
