

4-30 DIED. <sup>C-4</sup> 1912

*Stella Ricker.*

Stella Ricker passed away at 2 o'clock this morning at the home of her mother, Mrs. Ella Ricker, 416 Fourth Avenue. The sad news brought sorrow to many and not least to the Herald office, where for several years Stella was a faithful, competent and valued employe. She gave up her place in this office in order that she might take up work in college, where she was a member of this year's graduating class and a faithful, diligent student, in spite of the weakness brought on by constant sickness.

For many months she had been suffering from diabetes which finally caused the end. Last week she was able to attend her classes in college. The last illness came upon her suddenly and she did not have the physical strength to fight it off.

The funeral arrangements cannot be announced at time of going to press.
