

Reuben E. Sears

6-4

Passes Away

One of the outstanding earlier graduates of Grinnell college has been R. E. Sears, for many years a resident of Marshalltown, successful in business and generous in gifts to Grinnell college. As he grew older his later years have been marked by reverses rather than successes and yet he remained through all the time the same generous hearted business executive that marked his earlier career. Grinnell college loses a real friend, who spent his boyhood days here. Marshalltown loses one of its old time and most honored citizens.

June 1929.
