Peter O. Stoaks, one of the pioneers
of Poweshiek county, died on last Mon-
day at Malcom, where for some years
past, he has been making his home
with a daughter. Mr. Stoaks had lived
in the state of Iowa since 1850, a large
part of that time in this locality. He
was one of the successful farmers of
the early day until advancing years
compelled his retirement. He was 84
years of age. Many friends who grew
to know him during his years of resi-
dence near Grinnell mourn his loss.
