OBITUARY.
8-20-1912

Mrs. Arthur G. Worden.

Frances Jane Kingdon, third daughter of Mr. and Mrs. C. H. Kingdon, was born May 22, 1883, near Grinnell. At the age of eight years she, with her parents, moved to Grinnell, where she made her home until after her marriage.

She attended the Grinnell public schools where she was loved by teachers and schoolmates.

On June 17, 1901, she was married to Arthur G. Worden. To this union were born three children, Lorena, Adelbert and Kenneth. With the exception of a short time spent in Marshalltown or in the vicinity of that place she passed her married life in or near Grinnell.

She was a member of the Methodist Episcopal church of Marshalltown where she retained her membership until the time of her death.

About a year ago her health failed although at that time no one realized the serious nature of her illness. She continued in ill health and in May, last, submitted to an operation. This did not stay the disease as had been hoped. After that time she failed rapidly until the end came, August 14, at ten o'clock.

She is survived by a husband, her three children, her father and mother and three sisters and a host of relatives and friends.

Card of Thanks.

We wish to extend thanks to our dear friends who so kindly assisted, in time of sickness and death of our beloved wife and daughter; also for the beautiful flowers from town and country.
